

Whether integration trip or travel of discovery or sports, undoubtedly school trips are more for students in a school curriculum. They allow the children to discover various region of France or foreign countries and to broaden their knowledge of French or foreign culture and also strengthen ties amongst classmates and teachers and encourage team spirit.

We first listen to understand the needs of schools from Primary to High level. Then we customize high-quality places and programs that best fit your demands. We can arrange any trip format :

- Near-by locations for children at less than 3 hours by bus in France (Bretagne, Normandie, Hauts-de-France, Touraine). Trips abroad to England, Spain or Switzerland. Trips to the sea, mountains or country side to practice any specific sports (sailing, riding, canoeing, climbing, caving).
- Full board (3 meals + afternoon snack) and en-suite accommodation (single for teachers) with all-included rates.
- Guided tours in English of most renowned local attractions, meetings held with local artisans and specific's area's craft (mussel farming in Agde, manufacture of pan spice in Alsace, candy and lollipops in Loches and shortbread in Asnelles).
- TGV, Eurostar or 4 stars luxury coach trips and local transportation by bus.
- Expert supervisor with a team of animators bilingual and local sports educators.

We focus in helping and assisting you to make school trips a great success !
